Commerce (IACC), Eastern Region at a city hotel.

In her address, Hoffman said, "The Steel City is home to significant U.S. investments. The United States is strengthening and deepening partnerships with countries like India that share Ameri-

United States and India are natural strategic partners. The U.S-India trade and investment relationship is a key pillar of the Indo-Pacific vision of the United States." During her stay she visited US-linked companies like Cummins India Limited and Timken India Lim-

ited, to learn more about their manufacturing operations here. She also visited India's largest automobile manufacturer, Tata Motors Ltd.
